

DoD/DLA has extended 100% remote working until 31 December 2021 due to the surge in COVID-19.

The DE PTAC staff will continue working remotely thru the end of this year, however counselors may meet with clients on an as-need basis at PTAC. Clients must schedule in advance any face-to-face meetings with a PTAC counselor. There will be no 'walk-ins' permitted. The PTAC office is governed by current UD facilities restrictions for access of personnel.

You can continue to reach Dave Baldini, Dana Reece, Juanita Beauford and Walt Blaney by email and/or by leaving a voice message on our office phones.

You will find PTAC staff phone numbers and email addresses under the 'Contact Us' tab.

Future updates will be posted to this website as changes develop.
